**Subject:** BH Corrective Action Financial Assurance  
**Importance:** High

Hi, Peter.

We anticipate that Burns Harbor's Corrective Action Financial Assurance will decrease over the coming years because it is a rather simple calculation.

	cost per quarter**	per year cost	5 years
Loco Shop	\$6,300	\$25,200	
RCRA site per year	\$5,500		
Totals:		\$30,700	\$153,500

The costs are based on 3<sup>rd</sup>-party expenditures for the following activities:

40 hours of field tech time

8 hours of Project Manager time

Misc. maintenance parts for compressor

Removal of oil from storage tank for recycling (approximately 1-2 times per year so it is prorated over the quarters)

Mowing and plant removal from cap area twice per year

Thus, the amount for 2019 is \$34,500 less than 2018. Do we need the Administrator's approval for this decrease?

Julianne
